

## **Notre Dame College Association of Alumni and Friends**

Founded in 2003, the “Notre Dame College Association of Alumni and Friends” was established to provide all those associated with Notre Dame College a means to stay connected. Though the physical buildings are gone, it is our hope that the memories and friendships fostered within their walls will last forever.

The primary Mission of the Association is to provide continuing communications and activities for its members and to promote opportunities for community service as nurtured at Notre Dame College. The Association shall maintain an affiliation with the Congregation of the Sisters of Holy Cross (U.S. Region), and shall perpetuate the values espoused by the Congregation by promoting a spirit of service among its members in keeping with the mission and philosophy of Holy Cross.
